

WELCOME TO YOUR PATIENT PORTAL, PROVIDED BY MY CARE PLUS

MY CARE PLUS ALLOWS YOU TO...

View details about your:

- Diagnosis and health concerns
- Lab results reviewed by your physician
- Medications, therapies and allergies

Communicate with your health care team

- Send secure messages
- Ask non-urgent questions
- Request an appointment

Access your personal health record

- Print any pages you want to review
- Download and save a copy for your files
- Share your health information with family and caregivers

Nebraska Hematology Oncology, P.C. in collaboration with My Care Plus is pleased to offer you secure, convenient access to your personal health care information.

Enrolling is easy and only takes a few minutes

1. Provide your email address, then follow the prompts in your inbox
2. After you've registered, you may access the portal anytime at:
www.mycareplusonline.com
